### REMINDERS/UPDATES

- **Pool Closure:** The pool is currently closed until the City of Frisco completes an inspection. We expect this to take place within the next week or so and will update everyone as soon as we have more information.
- **Event RSVP Reminder:** If you sign up for community events, please remember to cancel at least 48 hours in advance if your plans change. This allows us to provide accurate numbers to our caterer. Of course, we understand that illness or emergencies can happen.
- **Upcoming Patio/Balcony Painting:** We will soon be scheduling painting for the patio and balcony railings. This is a great opportunity to do some spring cleaning and prepare your space. A formal notice will be sent once the schedule is confirmed.

Thank you for your cooperation!

### PATRICIA'S CORNER Bloom Where You Are

April is a beautiful month of renewal and fresh beginnings. As flowers begin to bloom and the days grow warmer, we are reminded that growth can happen anywhere. Easter brings a message of hope, joy and new life, encouraging us to cherish the blessings around us. Later in the month, Earth Day reminds us to appreciate and care for the wonderful world we share. Just like the flowers that bloom in spring, we each have the ability to grow and brighten the lives of others. Take time this month to enjoy the beauty of nature and the company of friends. Wherever you are planted, remember you can always bloom where you are.
