

RESIDENT SPOTLIGHT

Jan was born in Georgia but as the old saying goes, got to Texas as fast as she could! Her late husband was in the Navy when they married, and they wound up in Dallas. They lived in several Texas towns and ironically, she is right back in the same area where they began their journey together. She was widowed in 2006 after which she filled her life with church, friends, activities and caring for her late mother-in-law.

Jan worked in the Huntsville ISD for ten years, during this time, she created decadent desserts and her cheesecake business which she operated until 2019. And yes, she said it was fun!

Her daughter, son-in-law, and two grandchildren moved to Prosper following his retirement from the US Army. During his career, she was able to visit them in many places. Her favorites are Italy, which she visited twice and Seoul, South Korea. During both trips to Italy, she attended Italian cooking classes which fueled her love of baking. She came back with some great new recipes!

She moved from her home of 36 years in Huntsville, TX to Presidium in June 2021. Between being close to her family and making wonderful friends here, each new day is one that is filled with joy. Jan says, "moving here was a great decision!"

Mom/Dad—we need to talk.

I think we need to follow the rules.

AND if I could, I would pick up my own POOP but we both know I can't do that—so guess who has to??

I KNOW I don't like that stinkin' bark collar but I also know **I don't want people to not like me**—sooo if I get too excited and bark too much...YUP—put the collar on me!

### PATRICIA'S CORNER

Presidium is almost full, thanks to the team and you!

We can't go without saying how much the volunteers are appreciated for helping out with bingo, the library, and other activities. As we have seen, we work together to make things happen. We want to thank Bev and Gaylon for such a beautiful Mother's Day brunch and Presidium's Memorial Day event with the Hamburger Man. Remember to review your calendar as things are added and changed.

I know most of you are anxious for an update on Ronnie. He is doing well and should return in the middle of June. He is missed but let's not forget Pedro and Laura here for your needs.
