## UPDATES

### Welcome Bill Baban - Senior Service Manager

Many of you may have already seen Bill around the property. Bill is with another Presidium property and will be on-site periodically, mentoring and supporting Gabriel and Laura during this transition period. His experience and leadership will be a great asset to the team as we continue to ensure high-quality service for all residents.

### Introducing the Buddy System

Considering a recent incident where a resident fell and remained unnoticed for several days, we are introducing a **Buddy System** to help enhance community safety and care. The goal is to encourage residents to check in on each other regularly. We kindly ask each resident to pair up with a "buddy" (or even a small group) and stay in touch. If you haven't seen or heard from your buddy in a reasonable amount of time, please notify the office immediately so we can ensure their well-being. Together, we can look out for one another and help make our community a safer, more connected place.

### Frisco Fire Safety Talk:

#### What To Do If the Fire Alarms Go Off

We're excited to welcome Chris Christian from the Frisco Fire Department on Thursday, June 20th for an important safety discussion! Chris will share essential tips on:

- What to do if the fire alarms go off
- Where to go during an emergency evacuation
- Other life-saving fire safety information

Please join us for this informative session--it's a great opportunity to learn how to stay safe and prepared!

### Tornado Season Safety Reminder

As we enter tornado season here in the South, we want to remind all residents to stay alert and be prepared. If tornado sirens sound, please make your way to the first floor immediately, avoiding windows and exterior doors.

Suggested safe areas include:

- The Health and Wellness Room
- The first-floor bathrooms

### Pool Season Reminders

With pool season upon us, we'd like to share a few important safety reminders:

- ♦ Residents must always accompany their guests while at the pool.
- ♦ There is no lifeguard on duty, so swimming is at your own risk.
- ♦ Never swim alone, please always have someone with you for safety.

Let's all work together to keep the pool area enjoyable and safe for everyone!

## Welcome!

#### Front Porch Memories

There's something magical about a front porch in the summertime.

I remember warm evenings when the sun dipped low and the sky turned that soft shade of pink and gold. The porch swing creaked gently as we rocked back and forth, sipping iced tea or lemonade, listening to the hum of cicadas and the distant laughter of kids playing hide-and-seek.

The front porch was more than just a place to sit—it was a stage for life's little moments. Neighbors would stop by to chat, fans would wave lazily in the heat, and the day's worries seemed to melt into the quiet rhythm of summer.

We'd watch the world go by, share stories, and feel a sense of connection that didn't need anything fancy - just a wooden floor, a few chairs, and the people we loved.

As summer rolls in again, I find myself thinking about those evenings—about the peace, the laughter, and the way time seemed to slow down. Maybe we can't go back, but we can still carry those memories with us, like a favorite old song that plays in our hearts.

This month, I encourage you to take a moment to revisit those memories. Share them with a neighbor, write them down, or bring them to our next community gathering. Let's rekindle the feeling of summers past while making new memories right here together.

Here's to sunshine, good stories, and community spirit...

Patricia

Juneteenth marks the anniversary of June 19, 1865, when the last enslaved African Americans in Galveston, Texas were informed of their freedom—more than two years after the Emancipation Proclamation was issued.

Celebrated as the oldest nationally recognized commemoration of the end of slavery in the US, Juneteenth is a day of reflection, education, and celebration of African American culture, history, and achievements.
