

## RESIDENT SPOTLIGHT

### PATRICIA BROOKS

I was born and raised in Upstate New York-- beautiful area of our country with cold, snowy weather. Blessed with two sons and a career in real estate doing sales, management and training and it always kept me active and happy.

I relocated to Texas in 2000 settled in McKinney close to grandchildren, of course! My parents joined me a few years later and they too found joy with family and warmer climate.

Love the Texas weather and the friendliness I found in this great state and Collin County. Years flew by and now with over four decades in my business and my family grown--I decided on living a somewhat different lifestyle. So here I go to active senior living...an adjustment yes but in a short time found creating friends that are like family and at this stage in my life it is fulfilling.

I resided at Adriatica in McKinney and Patricia Mims and Ronnie Boots were our management team. They certainly helped to make it a home for me and others. I decided to try cottage living here and enjoyed that as well, but as time passed needed less to care for and here I am in the main residence!

Looking forward to being semi-retired, yes forgot to mention, I have an awesome team in real estate that I watch over. I am learning to relax and enjoy all this community has to offer.

Hope to meet all of you soon and enjoy activities together.

## Happy Birthday!

### Patricia's Corner

The "Mardi Gras" party was the "Best" with many residents attending. I want to thank **Laurie Combs** for all her efforts in decorating, the special balloon arch offering selfie photos, and the volunteers that helped. And a big thank you to **Ronnie Boots** for the rice, beans, and sausage. What a treat! And can't forget **Jan's** cornbread muffins to finish it off.

Seeing the residents engage with one another, make new friends, and dance to Tony's great music just made my heart sing.

The upcoming warmer weather is a good time to enjoy some activities inside and outside. Take advantage of walking, exercise programs and just be out and about. You might make a new friend as being social is so good for the soul.

**"BE THE REASON SOMEONE SMILES TODAY"**
