

UPDATES

Welcome Lorena! Please join us in welcoming **Lorena Berrios**, our new full-time housekeeper. We're excited to have her on the team!

Pool Fountain: Swimming or playing is not allowed in the pool fountain. Please enjoy the pool areas safely and appropriately.

Delivery Policy: Do not allow delivery personnel into the building after hours. This is for the safety and security of all residents.

Elevator Shaft Safety: Please do not throw anything down the elevator shaft-this poses a serious fire hazard.

FYI: We found over 50 candy wrappers in the shaft, which led to the removal of the candy dish at the front desk.

Kindness Counts: Be kind to everyone, especially our amazing volunteers who generously give their time to help at our community events.

Pet Waste Stations: Pet waste stations are for pet waste only. Please do not use them for other trash.

Pet Reminder – Help Keep Our Landscaping

Healthy! We love our furry residents, but we need your help to protect our community's landscaping.

Please do not allow dogs to urinate on the shrubs and plants around the property. The repeated exposure is damaging and, in many cases, killing the plants. Let's all do our part to keep our grounds looking beautiful for everyone. Designated pet relief areas are available-thank you for using them and for cleaning up after your pet! Your cooperation is truly appreciated!

Summer Heat Reminder: Please take precautions during hot days-stay hydrated, avoid peak sun hours, and look out for one another.

LUNCHES BY CHEF ANGELA

Chef Angela of **Frisco Catering by Angela** will provide a "hot" lunch Monday through Friday. Complete the form and include a check or exact cash (no change will be made) and drop in catering box on wall in mail room. The meal is delivered daily in a to-go box at 11:45 am to the Family Room. **Enjoy!**

GARDENING SEASON

As the gardening season winds down, we want to gently remind all gardeners that each plot must be cleaned out before the end of the season. Please remove any dead plants or debris from your plot.

A trash container is available at the garden—kindly use it to dispose of plant waste. The container is monitored daily and will be emptied as needed if it becomes full.

Thank you for helping keep our community garden tidy and ready for next season!

THE HEART OF GIVING BACK

Hello Neighbors,
As we move through July, I've been reflecting on the power of generosity—not just the grand gestures, but the small quiet ways we can show up for others. Whether it's sharing a kind word, lending a hand, or donating something useful, each act of giving creates ripples that go farther than we can imagine.

This month, I want to shine a light on **Hope Restored Missions**, a local organization that's doing incredible work to support individuals and families facing tough times. To help them continue their mission, we're hosting a donation drive right here in our community.

One of their most urgent needs right now is bottle water, especially with the extreme temperatures we've been experiencing. Access to clean, cold water can literally save lives in this heat—so even a small donation can make a huge difference.

If you're able, please consider donating bottled water or any of the items posted on our bulletin boards. Every little bit helps, and together we can make a meaningful impact.

Items needed by **Hope Restored Missions** will be posted in the Lobby, Family Room, Mail Room and elevators.

Drop-Off Location: Front office ONLY on the first Monday of each month before 12 pm.

Thank you for being part of such a caring community. Let's continue to lift each other up and give back wherever we can!

With gratitude, **Patricia**
